Please Note: All walks are on the second Monday of the month and start at 10.00 am. They will have a walk leader who may decide, if conditions are not suitable on the day, to change the venue or route. These walks are intended to check on the current state of Parish footpaths and therefore will be walked at a casual pace. These walks can be wet and muddy so suitable footwear and clothing is advised and great care needs to be taken especially when it is slippery underfoot. Parking can be limited so please share transport where possible. Everyone is most welcome to come along.
